

## **Resilient Parenting for Bereaved Families Practical Tools Terms of Use**

This Practical Tool is for your personal use and is intended to support you in caring for yourself and for your children. The contents of the Practical Tools and the resources and tip sheets are all free of charge and we welcome you to share it with others for their personal use. You are also welcome to share the material with any service provider you are working with. It is copyrighted material and the material as a whole or any pieces of it should not be shared with others for their commercial use. Any reference to the material should cite its source at [bereavedparenting.org](http://bereavedparenting.org).

The presentation of this material is not intended to constitute mental health therapy, give information on specific mental health disorders nor medications to treat mental health disorders. You are encouraged to discuss specific mental health questions with a licensed mental health therapist of their choice.

Our privacy policy is as follows. All of your responses to questions in the program are strictly confidential and will only be used by our team to learn about how to make our program better.
